Medieval Survival Of Extromnia

This world was created in February of 2020. The world is now a few months old.

This world is a survival world which you can make into your own world if you want. Enjoy.

The world is still in working progress and is yet to be completed.

THIS WORLD HAS ALREADY BEEN OPTIMIZED FOR THE BEST PERFORMANCE. PERFORMANCE MAY VARY DEPENDING ON YOUR HARDWARE!

ONLY WORKS IN MINECRAFT 1.8.9 AND OVER. DO NOT GO INTO OLDER VERSIONS BELOW THIS NUMBER, E.G. *1.7.10*, *1.6.1* ECT...

INSTUCTIONS to install the Minecraft Map.

Press the **WINDOWS KEY** and **R** at the same time. A window called **RUN** should pop up.

In the **RUN** box type, * %appdata% *. You should see a folder at the very top called * .minecraft *.

Open the **.minecraft** and find the **SAVES** folder. Install the MAP **Survival Episode Extromnia Studios (BC_13_04_2020)**.

Unzip the zip file **(USE WINRAR)** or **EXTRACT HERE** or **EXTRACT TO**. Then copy the world file **[MAKE SURE IT IS THE WORLD FILE AND NOT THE FILE THAT IS _CONTAINING_ THE WORLD FILE]** and past it into the saves folder.

You are all set, enjoy the Minecraft map.

If you don't have the Minecraft Launcher Installed on your PC or on your MAC, **AND IF YOU OWN THE GAME Minecraft** via your account on https://www.minecraft.net, there is the Minecraft downloader for Windows and Mac (MinecraftInstaller.msi) or (Minecraft.dmg), in its designated folder.

This downloader is located in this file, at this destination location: C:\Users\YOUR_USER_NAME\LOCATION_ON_DISK\Minecraft Survival World 2020, New Begining Update\Minecraft Installer

There is also a download for Optifine at the named folder **(Optifine)**. Depending on the **RELEASE VERSION** of Minecraft that this Minecraft World is associated with **(CHECK THE TOP OF THIS DOCUMENT FOR THE MINECRAFT VERSION THAT THIS WORLD IS _COMPATIBLE_ WITH)**, THE DOWNLOAD FILE OF OPTIFINE WILL MATCH THE WORLD VERSION OF MINECRAFT IN THIS FILE, E.G. **(OptiFine_1.8.9_HD_U_F5.jar)** ONLY for Minecraft **1.8.9**.

There is also a download for Java at the named folder **(Download Java)**, to then after, once java is fully installed, on your PC or MAC, you can use java to download and use Optifine.
